One Thing is Cheap

The cheapest thing today is money. It is true that loans are curbed and the use of funds costs more, but a load of grain, a weeks work or an acre of land will buy more money this year than for a long time.

So now is the time to save so you can invest or so you can buy more later on when dollars are dear.

THE ROY TRUST & SAVINGS BANK

READ THE WANT ADS

AND FOR SALE ADS

It would cost \$8.00 to mail 800 post cards to tell people you have something for sale, yet for 25 to 30 cents you can put an ad in the Spanish-American and it will reach 800 homes and be read by twice that many people. Some saving—\$7.75! The next time you have anything for sale, put a want ad in the S-A and watch results.

Odd New Guinea Craft.

The Inkatola is a picturesque New Guinea craft. These odd-looking vessels are composed of from five to ten dugouts lashed securely side by side. A deck is then laid across and a superstructure built on it. There is not a nail in the whole fabric, and every part of the vessel is composed of home-grown products, from the steering paddles to the curious mating sails.

Farmers Mill and Elevator Soon To Be Making Flour

The Farmers Mill and Elevator of Solano which has been at a standstill for several months will soon be completed and ready to receive grain. The mill has been covered with iron, the machinery is on the ground and is now being installed and the miller here. It is stated that they will be ready to dump within two weeks and ready to make flour within thirty days. As an attractive offer, they are offering \$2.40 per bushel to engage wheat for 80 or 60 days delivery. The wheat must test at least 60 and be free from smut. Anyone having wheat grading as they need, would do well to see the manager Henry Garms at Solano, for this offer is about 36c above the present market.

The mill which is owned by a number of farmers of the mesa will be a fifty barrel mill and will also contain an elevator and is worthy of the large patronage that it is bound to receive from the south end of the mesa.

The ball game between Roy and Mills scheduled for Sunday afternoon was postponed. The Roy team was unable to go to Mills as a number of the players were out of town.
